

2023 Session Change Form

This form represents your request to cancel one session in preference for another. We cannot guarantee that the final group status will not contain waiting spaces. Completion of the form indicates that the group leader is in acceptance of the new status which results from the session change.

Registrations above the original number of registrants requires an additional deposit if the change is made prior to May 1st and the full tuition fee is required for changes made after that date. Cancellations made resulting from this change are credited to the account until April 3rd which time a forfeiture fee is applied for each space. Please contact the Registration Department at 417-266-4000 with any questions.
