

2nd Yr. Ambassadors

Lesson 24

From Here to There

This is the last study of the Second Year Ambassador. If you have been faithful, you have learned a lot about being a Christ-follower and your role as an Ambassador for Christ.

In all of your learning, it is our hope that the greatest insight you have gained is that God wants you, yes **YOU**, to be His Ambassador from your Church to the World. Your world right now is your home, school, neighborhood, friends' house, malls, parks, gyms, laundromats.... wherever you spend time.

Jesus said, *“Father, I am not asking that you take them out of the world but that you guard them from the Evil One. They are no more defined by the world than I am defined by the world. Make them holy-consecrated-with the truth; Your Word is consecrating truth. In the same way that you gave me a mission in the world, I give them a mission in the world.”*

—John 17:15-18 (MSG)

Jesus was praying for His disciples and those of us who would follow Him as a result of trusting the Gospel. He wanted you to know that His death was to reclaim you to your rightful position as a child of God; the person He created, wove together in your mother's womb, and were seen by God before you were even born. (Psalm 139:13-16).

So as school ends shortly and summer nears, how have you made your life count? As an 11, 12 or 13 year old (and those of you who turned 14), how well did you represent Christ as an Ambassador? Do you still desire to learn more about Christ and your faith?

In the next few pages, we want your reflections and feedback about this year as an Ambassador and on the lessons. If you will be going into high school next year, we challenge you to consider enrolling in the Champions and Women of Destiny (CWOD) program where you can enjoy growing in your faith and celebrating together. Choose what is best!

Mentor Directions

Dear Mentors:

Thank you for your commitment as Learning Mentors for your students in the Ambassador Program. Our prayer is that this program was of some benefit to YOU and to your student(s).

In this final lesson we have asked the student to write their own Psalm from the lessons they have studied and from the insights they have gained. They can do this in story, poetry or song format. The goal is to get them to reflect on the lessons they have learned.

The **evaluation** is designed for the students only. We would like their thoughts and feedback on the Ambassador program. Please send in their Evaluation form for them (if they don't do it online themselves) and then you will enter their lesson online as complete by using the links found on our website. We will then send out completion t shirts and Certificates to all who have completed all of their lessons.

If you desire for the students to continue in KAA's Christian Growth Bible Study programs, there will be an opportunity to sign them up again before the next year begins. All past Mentors are sent information by email to see if the students are interested in going on to the next year.

If the Ambassador will be going into high school, then they will be eligible to be signed up for the CWOD program. To find out more about the CWOD program, click here:
