- a. If lice/nits are found during check-in, the group/family is charged a \$50 fine. In addition, a Kaleo is required to take that person's possessions off-site to wash at your expense, and another Kaleo is expected to wash the person's hair. If a Kaleo is not available, the attendee is sent home at your expense and additional fees may apply.
- b. If contagious illnesses relating to health concerns are detected, CDC guidelines are followed, and attendees may be sent home at your expense.

36. It is possible that you are not notified that an attendee cannot attend camp due to a health issue until a day or two before your session begins. In such cases there is no penalty for the space cancelation. You must contact the Registration Department if your potential attendee has a questionable medical condition.

37. Our Health Center Staff attends to regular day-to-day medical needs but is not equipped for major medical situations. The closest hospital is 1 hour away from our camp.
