

KAA

DRESS CODE

OUR WHY

At KAA, our dress code is designed to help create an environment where every camper can fully participate, build relationships, and enjoy their camp experience. We use the acronym CSI to explain the purpose behind our dress standards:

- **Community:** Our dress helps create a welcoming environment for campers from different backgrounds, cultures, and communities.
- **Safety:** Clothing and footwear should allow campers to safely participate in sports, recreation, and other high-activity experiences.
- **Integrity:** Our dress should reflect modesty and consideration for ourselves and one another while helping maintain an appropriate environment for everyone at camp.

Ultimately, our dress standards are centered on our desire to glorify Christ through our modesty, how we carry ourselves and how we consider others.

These standards apply to all attendees while on KAA grounds and participating in KAA activities.

THE KALEO'S ROLE

Kaleos play an important role in helping establish and support the KAA dress code. Kaleos are expected to:

- Clearly communicate dress code expectations to parents and campers before arriving at camp.
- Help campers understand and follow the standards throughout their stay.
- Model the dress code while on KAA grounds.
- Partner with KAA staff in creating an environment that reflects Community, Safety, Integrity, and our shared commitment to glorifying Christ.

GENERAL ATTIRE

Daily attire consists of appropriate athletic wear, including T-shirts, shorts, athletic shoes, and socks.

Campers are not permitted to wear smart watches or Meta glasses.

Clothing with inappropriate slogans, secular artists, graphics, or logos is not permitted. This includes references to alcohol, drugs, sexual content or innuendo, profanity, or other content inconsistent with KAA safety standards.

Nudity is not permitted in common or shared areas. Changing clothes is permitted only in designated private areas, such as bathrooms, or changing areas, and should be done promptly and appropriately according to KAA safety standards.

LADIES

TOPS

- Loose-fitting tops and tank tops must be worn.
- Low-cut tops are not permitted.
- Spaghetti-strap tops are not permitted.
- Midriffs must remain covered, including when arms are raised.

BOTTOMS

- Shorts must have a minimum 5-inch inseam.
- Leggings, biker shorts, and compression shorts are discouraged and may only be worn with appropriately sized shorts over them.
- Skorts are not permitted.

SWIMWEAR

- One-piece swimsuits must provide appropriate coverage.
- High-cut thighs, cutouts, mesh panels, and French-cut styles are not permitted.
- Shirts and shorts must be worn over swimsuits when not actively participating in water activities.

FELLAS

- Shirts must be worn at all times except while participating in water activities.
- Drooping, DIY-cut, or wide-opening tank tops are not permitted.

- Underwear must not be visible.
- Pants must be worn at the waistline and may not sag.

- Speedo-style swimsuits are not permitted.

LADIES

SHOES

ACCESSORIES

- Athletic shoes and socks must be worn during daytime activities.
- Tevas, Chacos, and water shoes/waders may be worn during water activities.
- Sandals and Crocs may be worn to dinner but must have a secure strap around the heel.
- Wave caps, bonnets, and do-rags may not be worn outside the cabin.
- Appropriate undergarments must be worn outside the cabin and should not be visible.
- Makeup and false eyelashes are not permitted.
- Smartwatches and Meta glasses are not permitted.
- Up to two stud earrings or small hoops that fit closely to the earlobe may be worn.
- One small nose stud or one small nose hoop is permitted.
- Ear and nose piercings are the only piercings that may be visible. All other piercings must be removed, covered, or appropriately plugged.
